(Your Neighborhood from Crime)

Join us on August 3 for National Night Out 2004, a celebration of communities coming together to fight crime and take back our streets.

Celebrate

The District of Columbia celebrates National Night Out with a host of events throughout the city, in nearly every Police Service Area, from cookouts and musical events to neighborhood walks and Orange Hat patrols. You're invited to be a part of it and help show the criminals that we're not afraid.

Help make your community safer by:

- getting to know your neighbors
- sharing information, and
- watching out for one another.

The Kickoff

The evening kicks off with Mayor Williams and Chief Ramsey at Naylor Gardens Co-operative Community Apartments, located in the 2700 block of 30th Street, SE, at 5:00 PM. Join them as they start the night off right with food, music, and great activities for everyone.

Citywide

Be sure to check out www.mpdc.dc.gov—or call the Office of Community Affairs at (202) 442-8150—for details, and take part in your neighborhood's celebration.
